Tournament Overview:

Teams will consist of 2 players. Players will register themselves, not as a team. Each player will fill out a separate registration form due to varying costs. Please ensure your team name matches and you write your partners name down. The cutoff will be 16 teams. First come first serve. Games will be played to 7 points. Any fair method can be used to determine which player or team has first choice of side, service, or receive. We will use the honor system and players will call their own games. A complete list of rules can be requested from Megan Jennings or CJ Pierce and will be sent out via email prior to the tournament.
